

EASTLAND

CAST AND CREW LIST

Thank you everyone for auditioning and interviewing. We want you to know that we are proud of everyone who auditioned and we had to make some difficult decisions. Each production has a different set of needs and strengths; we look for new things with each new show. We also have to look at a variety of elements with casting. We saw a lot of talent at these auditions and hope that if you aren't a part of *EASTLAND* that you will continue auditioning and interviewing for other productions.

Please sign your initials next to your name to formally accept your role in the production.

We will have our first rehearsal **Tuesday, April 3rd from 3:30-5:15pm.**

All cast and crew are required to attend unless they have conflicts that were already on their conflict sheets.
